School News!

Next week we will be focusing on 'Safer Internet Day' which takes place on Tuesday 6th February. We always remind our children about the SMART rules—please take some time to talk about these with your child.

S - SAFE - Keep safe by being careful not to give out personal information when you're chatting or posting online. Personal information includes your email address, phone number and password.

M - MEETING - Meeting someone you have only been in touch with online can be dangerous. Only do so with your parents' or carers' permission and even then only when they can be present. Remember online friends are still strangers even if you have been talking to them for a long time.

A - ACCEPTING - Accepting emails, IM messages, or opening files, pictures or texts from people you don't know or trust can lead to problems - they may contain viruses or nasty messages!

R - RELIABLE - Someone online might lie about who they are and information on the internet may not be true. Always check information with other websites, books or someone who knows. If you like chatting online it's best to only chat to your real world friends and family.

T - TELL - Tell your parent, carer or a trusted adult if someone or something makes you feel uncomfortable or worried, or if you or someone you know is being bullied online.

We will also be taking part in preparing bunting for the Abergavenny Arts Festival on Friday 9th February. If you have any bits of material we could use for this, please send it into school by Thursday 8th February. Diolch!
